The Table Top Glass Edge Working

Custom cut table top glass in variety of shapes and sizes,with finished edges:
round,oval,square,rectangle,pencil,flat polished,beveled,decorative...
Edges available:flat polished,beveled polished,pencil polished,ogee polished,etc.
***Flat polished: for a minimalist look,the glass tabletop edge have been polished to a smooth shiny finish.
***Beveled polished: fancy angle looks nice and sophisticated.The edges of the table are cut and polished at an angle with a specific bevel width.This process made the glass tabletop thinner around the edges and thicker in the center.
***Pencil polished: with circle or oval shapes,looks like a lead pencil with its rounded,polished edge
***Ogee polished: a gentle ”S” shape that delights your eyes.
