

## Good Price 3mm Copper Free Silver Mirror Manufacturer China

### China Factory 3mm [Copper Free Silver Mirror](#)

3mm Copper-free silver mirror, also called 3mm Eco silver mirror, 3mm eco-friendly silver mirror, 3mm ecological mirror, 3mm copper free and lead free mirror, 3mm copper free mirror, 3mm environmental-friendly mirror. It's an advanced version of silver mirror. A sheet of specially treated silver is coated on quality [float glass](#). Use non-copper film process and two layers of water proof paint. It prevents heavy metal contamination with copper and lead by using non-lead materials, copper free silver mirror can be used more years, because the copper content in [silver mirror](#) will accelerate the mirror to be eroded.

### Features of Copper Free Silver Mirror
