

CE and SGCC certificated complete panoramic padel court, paddle court, professional glass padel manufacturer

Padel is a form of tennis that is very easy to play, with fun and extremely sociable.

It's become more and more hot recently years, Spain has more than 35,000 tennis courts, while Argentina has 50,000. There are about 12 million players in these two countries. The number of Italians is equally surprising: in Rome, the number of stadiums has increased from 40 to more than 200 in less than 2 years.

The padel court demand is huge around the world, and it's keep increasing.

So it is a promising industry.

As a nearly 30 years professional building glass solution company, not only produce padel glass, we can also supply complete glass padel with Glass, Galvanized steel, turf and light.

JIMY

Professional glass manufacturer

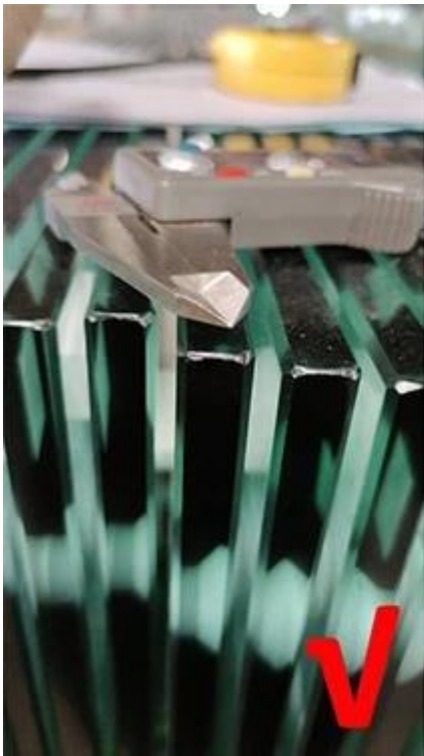

We supply glass padel court with full set, easy to be installed. The structure is very strong, can be windproof, anti-impact, and can be used for more than 10 years.

If you walk in Spain and Italy, most the glass padels you can see are from us.

What quality of glass padel Jimy glass can supply? Here are some details:

First, we supply 100% full tempered glass, 100% super flat, no bubble no defect no scratch, each sheet glass is inspected on the hole, size, and logo.

Second, we supply High quality galvanized steel and stainless steel connectors, High-quality galvanized steel is not easy to be corroded and rusted, with excellent stability and load-bearing performance.

Third, we supply turf from china brand factory, It has a strong ability to withstand external impact, tension and strength trampling (trampling resistance). The surface has a certain degree of smoothness and friction (moderate friction). Has good elasticity (moderate elasticity). The turf grass stems and leaves have a well-developed mechanical organization and good resistance to compression and wear (abrasion resistance).

In one word, if work with us, you don't have to worry about anything, we will control all material perfect for you, including the loading and transport.
