

China manufactory milk white tempered laminated glass, laminated security glass, toughened laminated glass sheets ,laminated glass glass partition walls

Milk white safety tempered laminated glass is one kind of safety and decorative glass and have two tempered glasses together with an interlayer (PVB/ SGP / EVA) via,trough highly pressurized and industrial heating process.

Laminated tempered glass is safety glass

laminated tempered glass with an interlayer (PVB/ SGP / EVA) offering superior protection against glass breakage, as well as harmful solar rays and hazardous noise levels. When it broken, the debris still stick to the film and won't fall off, the whole glass is still in complete shape to offer protection before replacement.Milk white tempered laminated glass is widely used to in interior door,divided wall , partition wall,etc.

Features

- 1.**Safety:** When laminated glass is attacked by outside force, it hard to be penetrated because PVB film has strong tenacity and can absorb and weaken a mass of striking energy. Even if it's broken, the splinters will stick to the interlayer and not scatter.
- 2.**Sound Insulation:** PVB film can effectively prevent sound wave.
- 3.**Anti-UV:**Laminated glass can effectively present UV.
- 4.**Beautiful sense and privacy protection:** laminated glass with a tinted interlayer wilt beautify the buildings and harmonize their appearances with surrounding views which meet the demand of architects.

Milk white tempered laminated glass process: CNC Cutting--Grinding--water jet cutting for the notch--tempering--glass rolling--Autoclaving--Packing.

Specifications

Glass name□milk white tempered laminated glass

Glass type□tempered laminated glass

Max Size: 3300*1300mm, Any size customized

Single glass thickness: 2-19mm

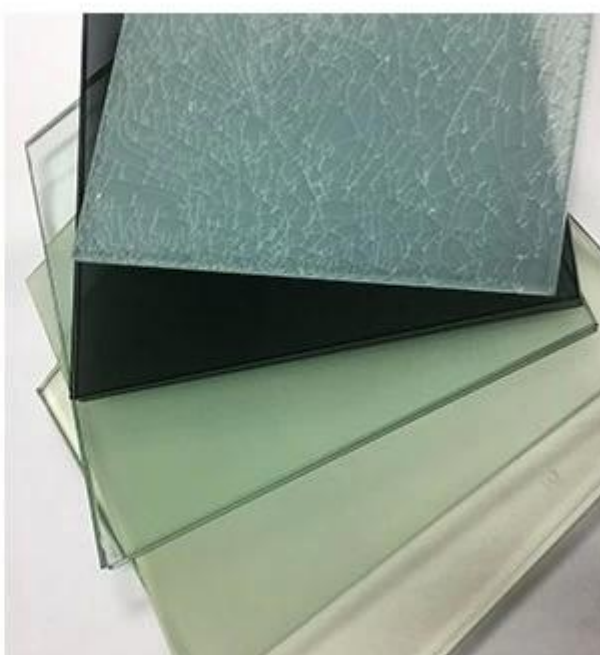

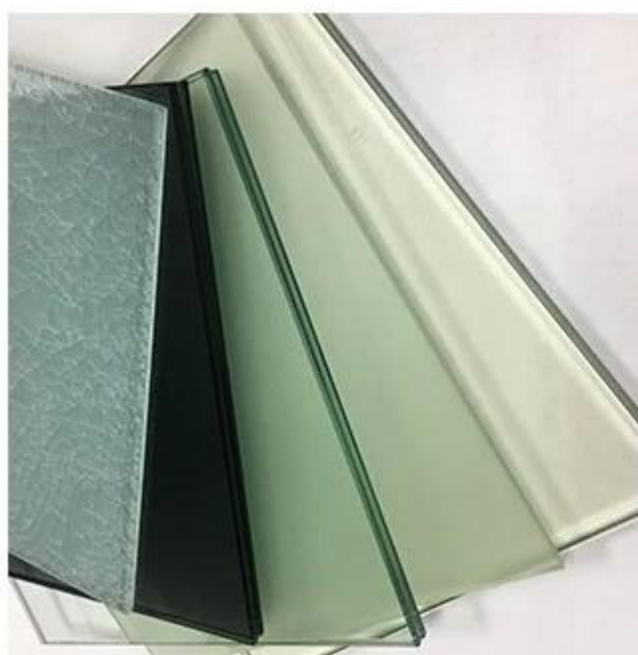

Glass color: clear, ultra clear, grey, green, blue, bronze

PVB: 0.38mm, 0.76mm, 1.14mm, 1.52mm (PVB / SGP / EVA)

PVB color: red, white, yellow, any pantone color

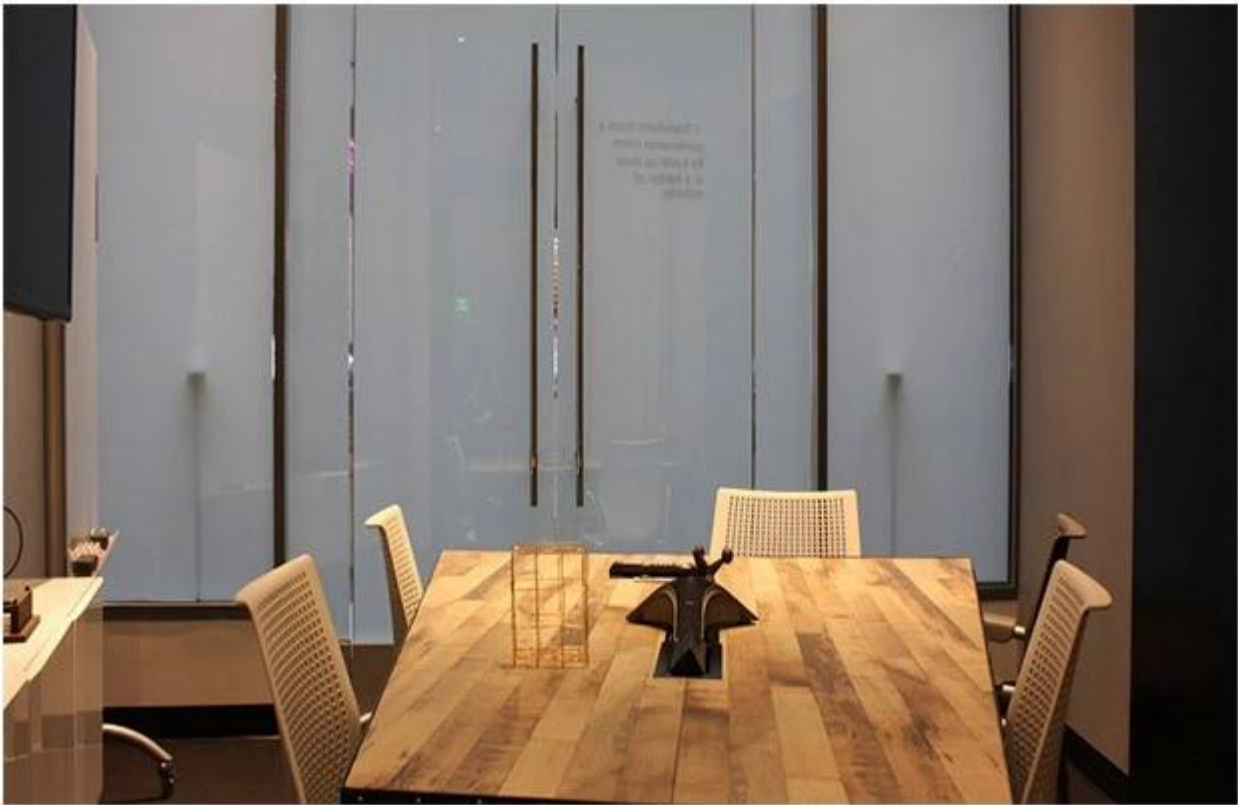

Application interior door, divided wall , partition wall, bathroom wall,etc.

The sample of milk white laminated glass

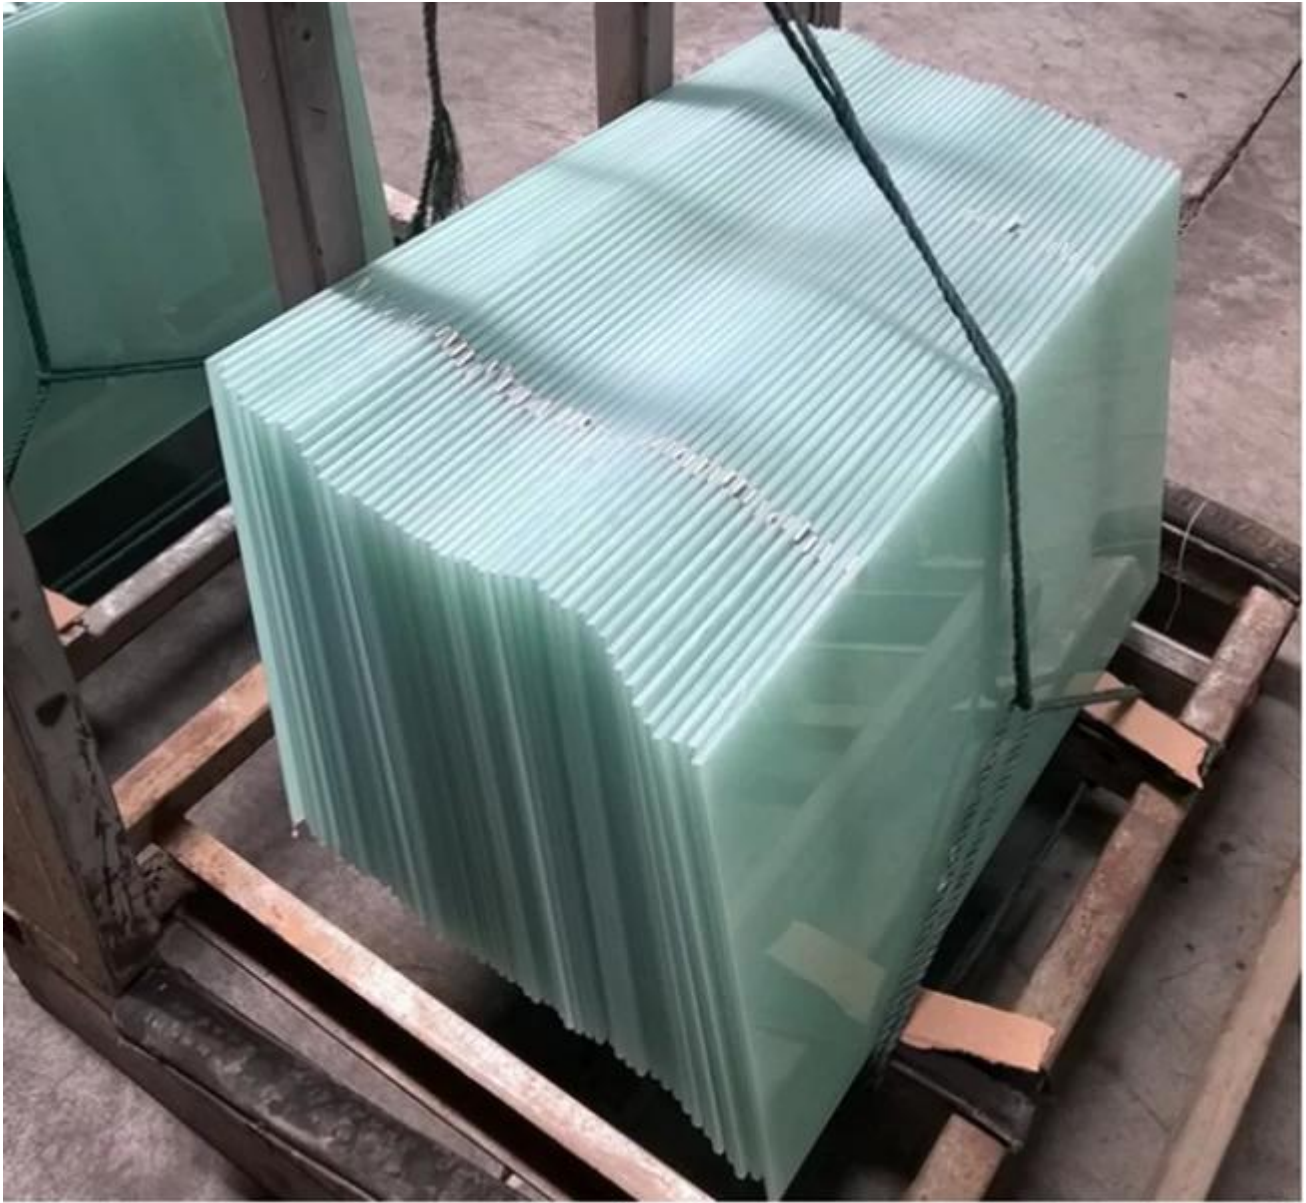

Application show

Milk white tempered laminated glass is can be used to in interior door, divided wall , partition wall, bathroom wall etc.

Product line

Laminated tempered glass autoclaving
