

Supply custom made shower glass panels

Why use glass to make the shower room?

Glass shower room, also call glass shower enclosure, glass shower cubicle, which is used glass to make the glass shower walls, [glass shower doors](#), glass shower screens. The shower glass panels is more and more popular in modern architectural design, mainly reasons are:

- There are many different kinds of glass could be chosen, includes clear, decorative, privacy, etc., to match different demands of different owners;
- The real estate cost is higher and higher, and the house area is smaller and smaller, use the glass to make the bathroom, could save space;
- The glass shower panels are easy to maintain and replace;
- Many others.
