

# Good quality 4mm 5mm 6mm China clear round tempered glass factory

## About colorless round toughened glass

Clear round tempered glass, we also call colorless round toughened glass, colorless round tempered glass etc. It's a kind of safety glass. [Tempered glass](#) is made from [annealed glass](#) via a thermal tempering process. The glass is placed onto a roller table, taking it through a furnace that heats it well above its transition temperature of 564 °C (1,047 °F) to around 620 °C (1,148 °F). The glass is then rapidly cooled in a short time.
